

**Salem Health and Salem Health West Valley
Summary of Financial Assistance/Charity Care Policy**

Salem Health is committed to ensuring our patients get the hospital care they need regardless of ability to pay for that care. Providing health care to those who cannot afford to pay is part of our mission and we provide free and discounted care to eligible patients. You may qualify for free or discounted care based on family size and income, even if you have health insurance.

If you think you may have trouble paying for your health care, please talk with us. When possible, we encourage you to ask for financial help before receiving medical treatment.

What Is Covered? For emergency and other appropriate services at Salem Health we provide free care and financial assistance/charity care to eligible patients on a sliding fee scale basis, with discounts ranging from 65% to 100%. No patient eligible for financial assistance/charity care will be charged more than amounts generally billed to patients who have insurance.

Uninsured discounts: We offer a discount for patients who do not have health insurance coverage. Please contact us about our discount program.

Payment plans: Any balance for amounts owed by you is due within 30 days. The balance can be paid in any of the following ways: credit card, payment plan, cash, check, or online bill pay. If you need a payment plan, please call the number on your billing statement.

Emergency Care: Salem Health has a dedicated emergency department and provides care for emergency medical conditions (as defined by the Emergency Medical Treatment and Labor Act) without discrimination consistent with available capabilities, without regard to whether or not a patient has the ability to pay or is eligible for financial assistance.
