

Completing the Online Bariatric Surgery Center Information Session

1. In order to complete the online information session, you will need:
 - A complete packet mailed to you with these instructions
 - A note pad and a pen/pencil
 - A computer with Adobe Flash Play 11.0.1 or newer with speakers/headphones. You can install the program from the Adobe website for free at <http://get.adobe.com/flashplayer>
 - Allow yourself around 2 hours to complete the video
2. Log on to <http://www.salemhealth.org/getstarted> and view the video
3. Complete and submit your packet using the Steps to Complete Form included in this folder
