Virtual attendance available through Teams Meeting

Meeting ID: 285 368 467 912 624

Passcode: Hu252TD7

GI Genetic Risks, Screening and Treatment

Presented by:

**Robert J. Ponec, MD, Katie Stoll, MS, CGC,
and Nicholas A. Barber, MD**

Learning Objectives: At the end of this education, learners will be able to:

1. Assess patients for eligibility for genetic counseling based on personal and family history;
2. Identify the types of GI screenings for patients with malignant mutations; and
3. Identify targeted therapies for patients based on genetic analysis.

Target Audience:

Primary Care and Gastroenterology Providers.

Accreditation:

The Salem Health is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. The Salem Health designates this live activity for a maximum of 1.0 *AMA PRA Category 1 Credit(s)*TM. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
